DAY DRIVE STUDY PUBLIC INFORMATION MEETING

DAY DRIVE – PARMA
PUBLIC COMMENT NEEDED

The City of Parma will be hosting a public information meeting on Thursday, February 14, 2008 from 8:30am to 10:30am to discuss the work of a study which focuses on Day Drive. The City of Parma, as a result of a grant awarded through the Northeast Ohio Areawide Coordinating Agency (NOACA), has been evaluating improvements to the Day Drive corridor. Two public meetings were held in September 2006 at which residents provided input.

The meeting will be held in City Council Chambers and representatives from the City, the study steering committee and the City's consultant will be available to discuss the project. Comments from residents, commuters, business owners, shoppers, transit users, pedestrians, retail workers, public employees, institutional employees and others are important. The results and effectiveness of this study will be directly related to the diversity of individuals and groups from whom the City hears.

In addition to the public meeting on February 14th, comments may be made by:

- By calling the City's consultant at 440-530-2316, ask for Christina LeGros.
